

## MISSION POSSIBLE: INDIA

Project Profiles 2018-19

### LEGENDS OF EARTH—MERIDIAN SCHOOL, BANJARA HILLS

This team worked on SDG 6: Clean Water and Sanitation and worked with a public school that did not have access to clean drinking water. The team went about raising funds and procured RO Water Purifiers for the school. Along with the other Mission Possible groups in their school, they also organized a massive clean-up of the Manikonda Lake.

#### Project Objectives:

- Clean the Manikonda Lake
- Provide access to clean drinking water to students at the public school

#### Activities:

- Raised funds mostly through door-to-door campaigning
- Organized a clean-up of the Manikonda Lake along with all the other Mission Possible groups in the school
- Procured RO water purifiers for the public school

#### Results:

- Installed the RO water purifiers at the public school
- Cleaned a large portion of the Manikonda Lake

**Next Steps:** This group plans to continue to visit the school and see how they can support them going forward
