# ANNUAL SHOWCASE

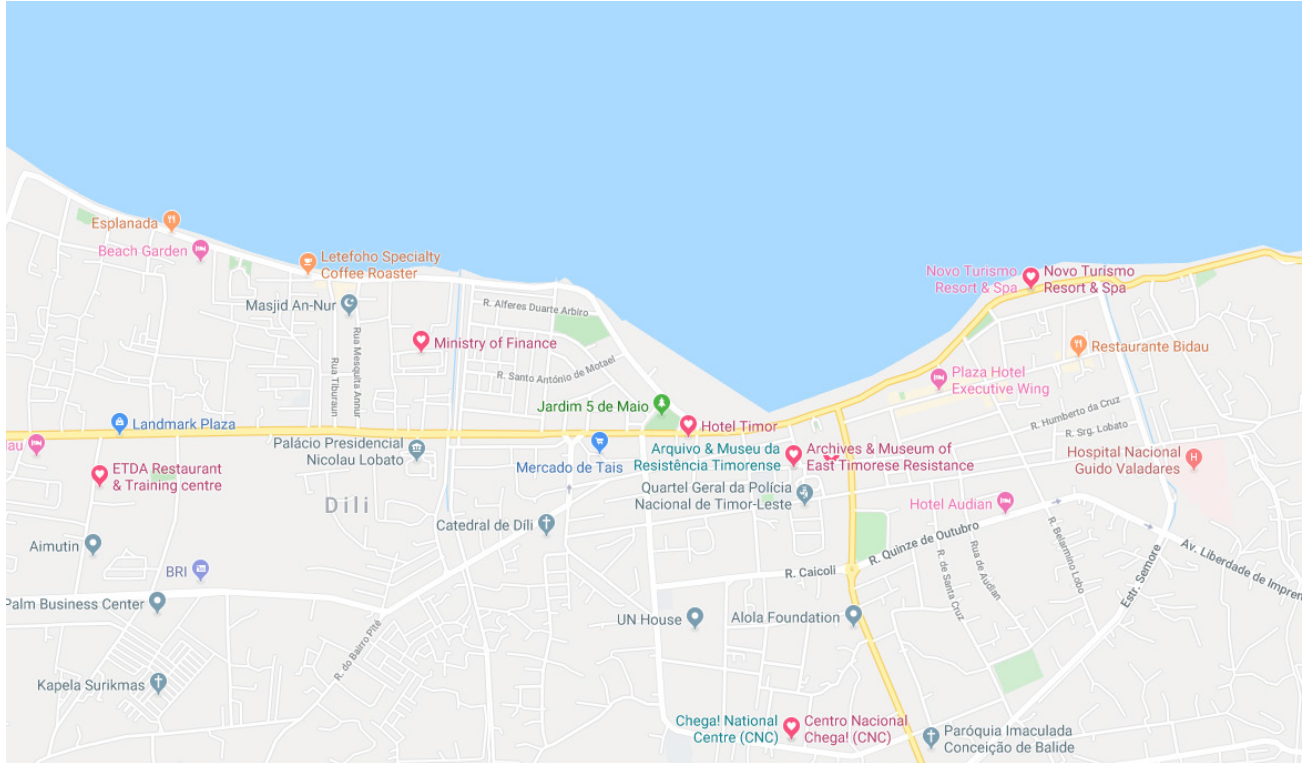

TIMOR-LESTE — FIELD VISITS

Sixteen  
Plus Forum

12 November  
Díli, Timor-Leste

2

**8:00 AM - Registration at Hotel Timor & Novo Turismo**

**8:40 AM - Transport to Centro Nacional Chega!**

**9:00 AM - Presentation by Centro Nacional Chega!**

Presented by: Mr. Hugo Fernandes, Chief Executive Officer, CNC

Centro Nacional Chega! (CNC) is an independent institution in Timor-Leste focused on the implementation of the recommendations of Timor-Leste's Commission of Reception, Truth and Reconciliation (CAVR) and the Indonesia — Timor-Leste Commission of Truth and Friendship (CTF). CNC works to preserve the memory of Timor-Leste's history (1974-1999), promote human rights through education and training, build solidarity with survivors, prevent the recurrence of human rights violations and foster a culture of peace.

## Local Organizations and Programs Showcased:

Juventude Dezenvolvimentu Nasional (JDN) on Addressing Sexual Harassment in Public Transportation

Formed by young Timorese people aged 17-24, JDN aims to engage peers in discussions and actions to develop services to contribute to Timor-Leste's economic independence. JDN develops programs and services to assist the young population to participate in training, provide leadership development training, and obtain employment. JDN also advocates and educates on issues of gender equality and nutrition and health.

Civil Service Commission on Addressing Sexual Harassment through an Online Mechanism, (Chatbot Rosa)

Supported by UN Women, the Civil Service Commission (CSC)'s mandate is to reform the public service and create a public sector that is inclusive, professional and healthy. They aim to advance gender equality in public administration including zero-tolerance of sexual harassment and upholding equal opportunities for a stronger civil service.

Women Engineers (Feto Enjineira) and Student Design Teams on Redesigning Public Spaces

Feto Enjineira, Timor-Leste's locally-led women in engineering group, aims to empower women engineers and build professional capacity through training, collaboration and knowledge sharing. Their members have access to training, mentoring and networking along with internship and scholarship opportunities. They believe in the importance of a nurturing network and knowledge sharing forum to support the new generation of engineers in Timor-Leste.

#### Hamutuk Ita Resolve on Safe Online Spaces

A Facebook page created for and by young people aims to help them navigate contemporary issues facing their generation. As the first generation to be exposed to aspects of the internet such as social media, the network of young Timorese people aims to create solutions to unique challenges and pave the road for a safer online community.

#### Safe Campus

Supported by UN Women, students of the National University of East Timor will showcase their pursuits, designs and messages of creating a safe campus.

#### Alumni of Youth Parliament

UNICEF partners with the youth of Timor-Leste on Timor-Leste's Youth Parliament (TLYP). The Youth Parliament gives Timor's youth an opportunity to voice concerns and recommendations on issues facing young people in Timor-Leste. At an average age of 14 years, around 130 young delegates are members of the Youth Parliament.
