

MISSION & VISION

The World Federation of United Nations Associations is a global nonprofit organization working toward a stronger and more effective United Nations. One of our main objectives, as outlined in our Constitution, is “to promote research, information and education about the goals of the Charter of the United Nations and the work of the United Nations system.”

EDUCATION & GLOBAL LEADERSHIP

With 20 years of experience in the design and implementation of Training Programs as well as an extensive professional network, WFUNA welcomes thousands of students every year who seek immersion in the core values of the United Nations: Global Citizenship, Sustainable Development and Inclusive Societies.

WFUNA aims to develop the practical skills that will enable the effective engagement of youth with the UN. Our Training Programs offer the necessary tools to understand evolving global challenges and a unique perspective on critical international issues. We provide our students the opportunity to reflect concretely on how young people can contribute to world peace, and how they, as tomorrow’s leaders, can shape it.
