

## **Decent Work in the Platform Economy**

**Discussion Point No. 1:** Which opportunities and challenges does the platform economy present for people facing difficulties in accessing labour markets or for people in the informal economy?

**Discussion Point No. 2:** How are platform workers classified, and which responses have been given by public authorities, social partners and other stakeholders to this issue?

**Discussion Point No. 3:** What should the ILO do to help make decent work a reality in the platform economy?
